

**MONTANA STATE UNIVERSITY
ACKNOWLEDGMENT AND ASSUMPTION OF RISK**

I acknowledge that there are certain risks inherent in riding and working with horses, including unpredictable behavior due to instinct, fright or otherwise that may result in being thrown from or injured by the horse. The horse may bite, kick, lie down or stumble. Saddles may slip and other tack or saddle problems may develop. The horses may collide with each other or other obstacles or encounter variations in terrain which could cause loss of control of the horse or fall from the horse. I acknowledge these and all other risks inherent in working around horses. I assume all risks inherent in this activity.

I understand that the university does not provide accident insurance and that I am solely responsible for and agree to bear the costs of any medical or hospital treatment that may be required because of an injury I might suffer by participating in this activity.
